

**Hairspray, Anyone?** After watching the Broadway musical *Hairspray*, Kelly Osbourne swapped spritz with the show's star Marissa Jaret Winokur. The word is that Kel is considering joining the cast of either *Hairspray* or the Rosie O'Donnell-produced *Taboo*.

PICK THE REAL STORY OUT of the ones we made up to SEE IF YOU'RE A TRUE RUMOR GURU—or if you need to brush up on your tabloid IQ.

**KELLY OSBOURNE**

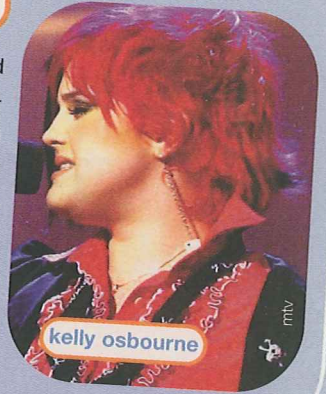

- A) "Bam! Kelly Makes Out with *Jackass*'s Most Eligible Bachelor"
- B) "Kelly Takes the Hiss"
- C) "Kelly's Brand-New Ozzy Tattoo"

**REAL HEADLINE:** B) "Kelly Takes the Hiss." Me-ow! Talk about catty: Kelly lashed out at archenemy Christina Aguilera, calling her one of the "most disgusting human beings in the entire world." Come on, Kelly, tell us how

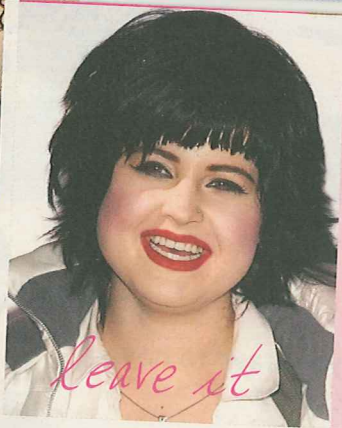

number **3**

You're affectionate, chatty and constantly need to communicate. You can talk yourself in and out of any situation, but you bore easily and have a problem finishing things. Work on your powers of concentration. Tap into the Internet, you're well-suited for it.

kelly osbourne

*leave it*

Think back to your preschool days, when you hadn't quite mastered coloring books. Remember the red crayon lips you smudged over the characters' faces? Kelly Osbourne's are squarely in that tradition. Her mouth is proof that your lipline is there for a reason.

► Grape aid! We give props to Kelly Osbourne for being a makeup rebel, but her stripey eggplant shadow looks like a scary purple haze!

**appalling**
