

### Enjoying reconciliation

Ozzy Osbourne holds Liona Boyd in this lighthearted photo. The former goth rock musician and Canada's internationally acclaimed classical guitarist live across the street from each other in Beverly Hills. She made headlines in Canada last summer after being mistaken for a noisy neighbour. The fracas was televised through the Prince of Darkness' popular reality-TV show on MTV. In one episode Ozzy and wife Sharon tossed objects into the next yard to protest loud music.

#### EDITOR'S NOTEBOOK

Osbourne

Ozzfest: CTV has earmarked April 22 for the return of **Ozzy Osbourne** and his foul-mouthed clan in the second season of *The Osbournes*. The new episodes, which have already aired in Canada on digital cable's MTV, will include segments on **Sharon Osbourne's** treatment for colon cancer.
